Instructions for Ordering

Terms: Cash with the Order.

Orders cannot be filled for less than $2.00, unless 10 cents additional is remitted. Plants sold by us are guaranteed true to name and are carefully labeled and packed. All orders, large or small, receive my personal attention.

Packages will be delivered at Oakland free of charge, after which they are at the risk and expense of the purchaser.

Small packages not exceeding four pounds in weight may be sent by mail, at an additional charge of 1 cent for each two ounces.

Orders to be sent by express C. O. D. must be accompanied by at least one-half of the amount in cash, otherwise they will receive no attention.

Remittances may be made by draft on Oakland or San Francisco, Wells, Fargo & Co. and P. O. money orders, or cash by express prepaid.

All communications should be addressed to

Chrysanthemums

A Few Words as to Cultivation.

To obtain the finest chrysanthemum flowers, the plants should be placed in a deep, rich soil, in a sunny location, sheltered by trees or fences from heavy winds, though they grow and bloom beautifully in almost any kind of soil and any location, under good cultivation, and careful attention.

Plants grown from cuttings in sand or a light, sandy soil, during April and May will produce the finest and largest flowers in the fall. As the cuttings are rooted, they should be planted in pots or beds, prepared for them by digging the ground quite deep and fertilizing with well rotted manure.

Pinch the tops any time between the 15th of June and the 15th of July. After this time, careful and regular attention should be paid to keeping the plants growing continuously, giving water enough whenever they need it, and removing all unnecessary branches and suckers.

If very large show flowers are desired, select one of the most prominent and perfect buds on each shoot, as soon as they are advanced to the size of peas, and remove all the others. About this time, and until the flowers are commencing to open, regular applications of weak manure water will be very beneficial.
H. YOSHIIKE'S NOVELTIES FOR 1895.

All of the following novelties originated with me in recent years, and have been given one or two years' trial. Every one of these are strong, robust growers, and of special merit. Their flowers are solid and double, and generally measure from seven inches to one foot in diameter, under good cultivation and careful attention.

Price, 50 cents each, $5.00 per dozen, $35.00 per hundred; 6 at dozen rates, 50 at 100 rates.

Admiral Ito.—An enormous spreading flower of great substance and depth; petals flat, slightly twisted; color, rich brilliant yellow, shaded amber on the margin of the petals; a grand variety for all purposes.

Caledonia.—An elegant spherical-shaped flower, of reflexed and branched petals like the Elkshorn; color, bright terra cotta; flowers large, double and massive, of great substance; the grandest of the Elkshorns.

Corea.—Deep bronzy yellow, shaded buff; a magnificent bold flower, of broad, incurving petals. A strong, robust grower, of beautiful foliage.

Fred Barstow.—Harry E. Widener and Mrs. A. Hardy. A large, incurved flower, with high-built center; petals broad and slightly hairy; color, a pleasing shade of white, suffused with pinkish yellow.

Grace S. Yoshike.—A seedling from the Queen, and surpasses its parent in the form, substance and texture; color, pure snowy white; flowers large, full, double and deep; petals broad and heavy; about three rows of the lower petals spreading straight, while the others are elegantly incurved and whirled, making its appearance as if a perfect ball of great beauty was placed on a white satin rosette.

Glory of Pacific.—A splendid flower, of magnificent size and depth, with broad, reflexing petals; color, a light, delicate rose pink. One of the earliest and best.

Golden Sunset.—A magnificent incurved flower, of broad petals, elegantly covered with glandular hairs; color, deep old gold. The grandest of yellow hairy varieties.

Imperial Crown.—A grand flower of spherical shape; petals incurved and whirled in the style of Good Gracious; color, bright golden yellow, shaded in the lower part of the flower, with rich chrome yellow. A magnificent flower, of stately appearance.

Mars.—Flowers perfectly globular and compact, of large, cupped petals; color, rich, brilliant bronze, shaded terra cotta, with gold on the tips of petals. One of the rarest and most valuable varieties.

Flame Clare.—A hybrid of H. E. Widener and the Queen; the shape and formation of the flower is similar to H. E. Widener, and the color to the Queen, that is a pure glistening white. A grand flower, of large rounded surface and solid build.

Mrs. P. Rothenbush.—A magnificent flower, of broad, incurving petals. In the style of the Kioto, covered with glandular hairs; color, clear rose pink without shadings.

Mrs. McNear.—Deep rosy lilac, with silvery shading; flowers very large, in the style of Etoufe de Lyon, but of far more substance and better keeping quality.

Mrs. Lieutenant Tom Phelps.—An elegant flower, of perfect shape; petals broad and beautifully incurved; color, pure glistening white. One of the loveliest chrysanthemums.
Mrs. S. J. Farrington.—A fine feathery flower, of reflexed form, in the style of Vivian and Morel, with broader petals; color, a pleasing shade of beautiful salmon pink.

Oriental Glory.—An enormous flower of great substance; outer petals narrow and tubular, while the inner are flat and incurved; color, a light, delicate shrimp pink. It is much admired for its shade and form.

Paul L. Miller.—Rich, brilliant yellow; a magnificent incurved flower, of large, graceful petals. One of the most notable varieties.

Pearl Palace.—A perfect spherical-shaped flower, of broad, incurving petals; color, pure glistening white. It is a very early bloomer, and a gem of white chrysanthemums.

Rose Yoshiike.—A beautiful cameo pink, bordered with rose on the edges of the broad, reflexed petals. A magnificent flower of fine build, remarkable size and great substance.

Snow-Capped.—A pure white, hairy chrysanthemum, of gracefully incurved petals; flowers full and double, of perfectly-rounded surface.

Saghalien.—A large, incurved flower, full and double, with hairs on petals; color, brownish gold, very distinct.

Urania.—Bright glowing purple, slightly spotted with white; large spreading flower, very beautiful.

White Swan.—Pure snowy white; flowers incurved, of high-built center; petals beautifully covered with glandular hairs.

Western Pride.—A grand flower of magnificent size and form, with long broad petals, incurving and rolling toward the center in a graceful manner; flowers full and double, of long-keeping quality; color, rich brownish yellow, shaded with old gold.

W. S. Devis.—The grandest flower of years; color, rich chrome yellow, slightly penciled with bronze; flowers of largest size; petals unusually broad, cupped and incurved. The most admired new chrysanthemum in California.

Yellow Superior.—A mammoth incurved Japanese, of great substance and stiff, stout stems; color, deep yellow without shadings; petals full and double, of heavy texture. One of the grandest and most valuable varieties.

Japanese Novelties for 1895.

The following novelties are my latest importations from Japan, and are the best varieties ever imported. They are modern improved chrysanthemums, remarkable in their size and form. Everybody interested in chrysanthemums should have these novelties to make his collection perfect.

Price, 50 cents each, $5.00 per dozen, $35 per 100; 6 at dozen rates, 50 at 100 rates.

Count Yamagata.—Glistening white, shaded with pink; a magnificent flower with high-built center, of large cupped petals.

Dragon Fire—Flowers large, full and massive, of broad, flat petals, slightly reflexed; color, deep brownish red, with gold on the tips of petals, very distinct.

General Nodzu.—A grand flower, of long, broad petals, every one of which is elegantly incurving, gracefully rolling and most strangely curling toward the center, making the flower a beautiful ball of golden ribbons.

Marshal Oyama.—An immense flower, with high-built center; petals long, broad and gracefully incurving; color, pure, delicate, glistening white. One of the grandest importations.
Morning Crow. — Dark purplish crimson, reverse silvery white; flowers full and double, of spherical form; petals slightly reflexed.

Golden Harvest. — Clear, golden yellow, bright and glistening; an enormous flower, of large rounded surface; petals long and incurving. A grand flower, of pearly appearance.

Akagi. — One of the finest show flowers, of long tubular petals, straightly spreading from the center; color, deep chestnut red, shaded gold; very distinct.

Yoshino. — Creamy white, large, full, massive flowers, of long ribbon-like petals, slightly twisted: very free in flower and growth.

Yellow Model. — A graceful flower, of enormous size, perfect form and great substance; petals broad, long and incurved; color, clear, bright yellow without shadings. The finest, largest and most valuable yellow ever imported from Japan.

Golden Palace. — A perfect ball, of immense size, of elegantly incurved petals; color, clear, golden yellow, of very delicate appearance. This is the grandest spherical flower ever grown in Japan.

Yokohama Nursery Co.'s Novelties.

Price 50 cents each (except Green Emerald), $3.00 per dozen, $35 per 100; 6 at dozen rates, 50 at 100 rates.

Buff Globe. — An enormous globe-shaped flower, of long, incurving petals; color, pale chrome yellow, shaded with buff. It is a yellow sport from Good Gracious, and identical (except in color) with its parent.

Buff Hairy. — Deep brownish yellow shaded with buff; flowers large, full and double, of broad, incurving petals, beautifully covered with glandular hairs.

Dragon Blood. — Dark blood red, slightly touched with gold on reverse; petals long and flat, curiously curling in the center. A wonderful variety in its color and form.

Fugi Snow. — A mammoth white flower of spherical form, with long quilled petals, incurving and whirling toward the center. This is a white sport from Good Gracious, of which all chrysanthemum growers too well know to need any description.

Green Emerald. — The best green chrysanthemum ever introduced. The size of flower about six inches in diameter; petals flat and incurved. One of the most wonderful things.

Kioito Pink. — A large incurved flower, with high-built center, of heavy broad petals; color, deep lavender pink, a shade lighter on the reverse.

Nikko Snow. — Pure white; large incurved flowers, of unusually broad petals.

Paradise Beauty. — Deep purplish crimson, reverse silvery pink; flowers of large flat form; petals partially tubular.

Rosy Emperatrice. — Light delicate rose pink; large rounded surfaced flower, of broad, incurving petals.

Snow Peak. — Pure white, large rounded ball, gradually elevated in the center.

Tomo Shiraga. — White, large straggling flower, of flat petals.

Tokio Souvenir. — Creamy white, large incurved flowers, petals thickly covered with glandular hairs.

Rokkasen. — Large pink, above eight inches in diameter, petals beautifully incurved.
New Chrysanthemums for 1895.

The following list contains the best and most distinct varieties of my recent importations from Japan, and the striking novelties lately originated with me, which are generally called California Seedlings; also the choicest varieties raised in Eastern States and Europe. This is a grand collection of modern improved chrysanthemums. Price, 20 cents each, $2.00 per dozen, $15 per hundred.

Amoor.—A rich reddish brown, reverse silvery bronze, distinctly lined with gold; flowers enormous in size, of unusually broad petals, curiously whirling around the center in the way of Armida.

Achilles.—Large, incurved, soft shaded pink changing to pearl white.

Amber Ada Spaulding.—A rich amber colored sport from the well-known Ada Spaulding, and identical (except in color) to its parent.

Arctic.—An enormous flat flower of long, tubular petals; color, a fine glistening white very faintly shaded with salmon pink. One of the largest ever introduced.

Bankok.—Color, rich brilliant yellow; flowers large and incurved, of broad straggling petals.

Beau Ideal.—Bright rose pink, large incurved flowers of stiff stem and good foliage.

Capt. J. C. Ainsworth.—A mammoth white flower of great substance with beautiful green foliage; petals remarkably broad and long.

Castle Peak.—An elegant spherical flower of fine straight needle-like petals; color, white suffused with a delicate pink.

Clinton Chalfant.—Magnificent rich golden yellow, a sport from J. H. White; a grand early bloomer.

Cinderella.—Large reflexed white flower forming a perfect solid ball.

Christa Bell.—Outer petals deep rose, inner ones rich apricot yellow, flowers perfectly double, of immense size.

Chas. Davis.—Golden sport from Viviand Morel; color, light yellow brilliantly suffused, rich apricot yellow; a grand flower of immense size.

Challenge.—A perfect globe of brightest golden yellow; a late variety, dwarf in habit.

Dorthy Toler.—Warm rose tipped with red. One of the most beautiful chrysanthemums.

Duke of York.—Grand exhibition flower, of broad heavy petals; color, deep pink; reverse silvery white.

Eugene Dalledouze.—Glowing bright yellow; a magnificent incurved flower of broad heavy petals; one of the best yellow.

Fisher’s Torch.—Bright fiery red, a pleasing shade; flowers large and double with high-built center, petals long and floating, slightly reflexing; a short, stout grower.

Formosa.—Bright glowing purple, flowers large and full to the center; of great substance; petals beautifully reflexed; one of the grandest-purple varieties.

Freda.—A rich chrome yellow, shaded with yellow and old gold; flowers immense in size and depth, with high-built center; petals flat and straight, somewhat twisted; a short stout grower.

Frank Hatfield.—Delicate silvery pink, suffused with darker shade; a magnificent Japanese variety of large size.

Fairview.—Deep, rich, crimson lake, large, solid, round flower; very attractive.
Geo. E. Goodman.—A light, delicate lemon yellow, without shading; flowers perfectly globular, of broad and solid petals; very free in growth and bloom.

Golden Castle.—Deep golden yellow; flowers rather medium, of quilled petals; very brilliant and showy.

Goliath.—Mammoth yellow bloom, of largest size and most perfect form.

Great Republic.—A massive, gorgeous bronze, of immense size; very distinct.

Interocean.—A seedling from Vivian Morel; color, glistening pearly white, suffused pink; flowers larger than the parent, and of great substance.

Lora.—Light pink, large high-built flower, petals tubular and whirled.

Incomar.—Exhibition variety, large bronze yellow; very late.

Judge C. S. Benedict.—An attractive, high-built, round flower, of cupping petals; color, bright clear yellow.

J. Pitters.—Large incurving bloom, petals covered with hairs; color, clear light pink.

J. A. Pettigrew.—A double reflexed Japanese, petals convexed and twisted; color, dark bronzy red; a late bloomer.

James Comley—Over twelve inches in diameter, perfectly double, color, bright merlet pink: a magnificent variety.

Lurline.—An enormous incurved flower of long tubular petals; color, a deep silvery pink.

Laredo.—Japanese, with whirled and incurved petals; a self-colored deep pink, without a trace of magenta.

Morocco.—Dark velvety maroon; reverse reddish orange turning to old gold; a mammoth flower of great substance.

Mrs. J. Geo. Hs.—A grand white flower of remarkable substance, size and depth; petals waxy, incurving and interlacing, forming a perfect sphere.

Mrs. Nellie P. Flouton.—A rich brilliant yellow, without bronze shadings; flowers large and full; of long incurved petals. One of the grandest in the Japanese incurved section.

Mount Everest.—Pure snowy white, large straggling flower of curiously twisted and whirled petals.

Mount Hamilton.—Bright red, shaded with crimson; flowers large and full, of beautifully reflexed petals.

Miss G. H. Bates.—Extra large, high-built, solid bloom; color, brightest golden yellow.

Mrs. W. H. Trotter.—A mammoth late white, of narrow notched petals; flowers above twelve inches in diameter.

Mrs. R. English.—Superb, high-built, solid incurved pink, style of Ada Spaulding, but twice the size and much brighter pink.

Mrs. J. Dallas.—Rich apricot yellow shading to rose, large symmetrical sphere; a grand acquisition.

Maud Pierson.—Extra large, solid, round flower, shape of Ivory, but larger; color, deep rose pink; shading lighter to center.

Mary Hill.—A massive lavander pink, with lighter shading, of immense size.

Clari Louise.—Beautiful recurving white, with interlacing petals forming a plumy globe.

Mrs. F. P. Langham.—Very large flower, incurved, beautiful soft rose.

Mrs. James Eadie.—Perfectly incurved, beautiful silver pink; dwarf habit.
CHRYSANTHEMUM NOVELTIES.

Mrs. Geo. A. Magee.—A multitude of petals forming a perfect ball; silvery pink; a grand exhibition variety.

Mrs. G. H. Morgan.—Pure golden yellow; large incurved flower, of good substance.

Miss E. Kingsley.—Large, irregular, incurved flower; inner surfaces deep pink, reverse silvery rose.

Mrs. M. A. Forepaugh.—Very large, incurved, with rose pink, tipped yellow; grand late bloomer.

Mrs. E. G. Hill.—Extra early, bright pearl pink; a grand incurving sphere.

Miss Hattie Bailey.—Dark bronzy red, double reflexed Japanese; petals convexed and twisted.

Malmaison.—Very large incurved, clear pink, with broad petals.

Mayflower.—Enormous, incurved white, lower petals reflexed in a graceful form; grand in every way.

Minerva.—Large, massive, incurved flower, a perfect ball of the most vivid golden yellow.

Mlle. T. Rey.—Immense creamy white Japanese, of superb form and size.

Major Bonnaffon.—Grand, incurved, bright yellow, of largest size, full to the center; habit dwarf.

Mrs. A. Jacobs.—Brilliant rosy fawn, of largest size.

Mrs. Jos. Thompson.—Pure waxen white, broad heavy petals; a beautiful dwarf grower.

Mutual Friend.—A mammoth flower of purest snow white; petals broad and slightly reflexed; one of the best.

Oruba.—Clear light pink; flowers loose and feathery, of narrow reflexed petals, slightly covered with hairs.

Oriana.—Beautiful pink, similar to Maud Dean in color and form, but larger.

Pride of California.—An enormous flower of great substance; petals very long and tubular, spattered at the tips, spreading boldly into all directions; color, a rich chrome yellow, shading in the center to bright gold. Very distinct in shape and color.

Port Imperial.—Deep lavender pink, reverse shaded with silvery white; flowers large and of most exquisite finish; petals curiously notched like Elkhorn, and incurving and twisting in a pleasing manner.

Pitcher and Manda.—Large flower, center petals canary yellow, outer rows pure white.

Quito.—A sport from Mrs. Lloyd Tevis; color, rich reddish terra cotta, slightly touched with gold. An immense flower, in the style of Golden Gate, but more incurving and more compact.

R. L. Beckert.—Grand incurved Japanese, deep chrome yellow without shadings.

Roger Williams.—Dark crimson, of large size and grand form; one of the best dark varieties.

Sophie Silvers.—Purest snow white; petals broad and straggling of white satin ribbon-like appearance.

Snowflake.—Large, solid incurved flower, full and double; color, purest snow-white.
Silver Cloud.—Luminous, attractive, full double bloom; color, suffused with delicate salmon.

Thos. H. Brown.—Clear bright pink, fine rounded flower, of great depth, one of the extra early varieties.

Titian—Very large, reflexed bloom; color, deep clear rose pink; a late bloomer.

White Lotus.—A handsome incurved flower of high-built center; in the style of a Nelumbium bloom; color, a delicate pearl white.

Wanless.—A handsome, extra large, incurved Japanese; color, beautiful pearly pink. A great commercial variety.

White Rock.—Large solid, incurved Japanese, of cupping petals; color, purest snow white.

Yukon.—A handsome incurved white in the style of Moonlight, but the flowers much larger, and of far better keeping quality.

Yellow Queen.—Extra large, bright clear yellow; one of the finest early varieties.

**Hairy Chrysanthemums.**

(Or Ostrich Plumes.)

Probably no other class of chrysanthemums has ever attracted the same amount of attention and admiration as the Hairy, or Ostrich Plume, type. The flowers of this class are large and graceful, of different colors and shapes. They have a fine, downy appearance, which is produced by the glandular hairs that cover the petals. The following collection is very complete, containing the best and most distinct varieties ever introduced:

Eiderdown.—Perfectly double, incurved, snow white, covered with glandular hairs; style of Kyoto. Price, 20 cents each.

Empress of Russia.—Snow white; a large incurved flower with high-built center; almost globular; petals covered with fine glandular hairs. Price, 15 cents each.

Enfant des Deux Mondes.—A magnificent white sport from Louis Boehmer, partaking of all its good qualities; color, purest snow white, borne on strong stems; habit perfect. Price, 15 cents each.

Fairv Queen.—Flowers large and incurved, of a light delicate rose pink striped with a deeper shade; petals grandly covered with very prominent hair-like growths. Price, 15 cents each.

Golden Hairs.—Deep chrome yellow; large rounded flower of broad incurving petals. One of the best hairy varieties. Price, 25 cents each.

Hermit.—Flowers perfectly incurved; color, deep pink; petals covered with prominent hair-like growths. Price, 10 cents each.

Improved Louis Boehmer.—A sport from Louis Boehmer; flowers immense in size, with high-built center; perfectly incurved and somewhat whirling; color, beautiful deep rose; petals covered with glandular hairs. Price, 10 cents each.

Monarch of Ostrich Plumes.—A hybrid of Louis Boehmer and Golden Gate; color, bright chrome yellow, shaded buff and amber; a large incurved flower, beautifully covered with glandular hairs. Price, 15 cents each.

Mrs. Leslie Ward.—A large, full and double incurved bloom, slightly hairy; a beautiful buff, shaded pink; tips of petals pale yellow. Price, 10 cents each.
Mrs. Wm. Trelease.—Large and full, beautiful hairy variety; color, rich pink with double center. Price, 10 cents each.

Miss Annie Manda.—Flowers high-built and compact, perfectly double; color, the purest white; petals covered with long, hair-like growth. Price, 10 cents each.

Mrs. A. Hardy.—Pure white, large incurved flowers, with fine downy growth on outside of petals. Price, 10 cents each.

Master of Ostrich Plumes.—Deep maroon, shaded scarlet; reverse brilliant old gold; large incurved flowers; petals broad and long, slightly covered with glandular hairs. Price, 15 cents each.

Oriental Beauty.—Flowers solid and compact, of pyramidal shape; color, pearl white shaded with delicate pink; petals beautifully covered with glandular hairs. Price, 10 cents each.

Pascha.—Another hairy chrysanthemum; color, clear light pink without any purplish or lavender shadings; flowers enormous and flat; petals narrow and tubulons, spathed at the tips and slightly incurving toward the center. Price, 15 cents.

Robert M. Grey.—Large flower, of a terra cotta color; petals densely covered with a capillary growth; the most distinct in its class. Price, 25 cents each.

Spartel.—A delicate rose pink with hair-like filaments. Price, 10 cents each.

Virginia.—Rich brilliant purple; fine globular flowers; petals beautifully covered with glandular hairs. Price, 10 cents each.

Wm. Falconer.—A sport from Louis Boehmer; color, exquisite rosy blush, changing to delicate flesh pink; flowers of largest size. Price, 10 cents each.

W. A. Manda.—A golden yellow hairy variety; flowers large, habit vigorous. Price, 10 cents each.

---

Large Flowered Anemone Varieties.

Ada Strickland.—Fine symmetrically formed anemone, rich chestnut red, without shadings; center full and high; ray petals broad, flat and regular; "a perfect star." Price, 15 cents each.

Condor.—Large tubular rays; rose purple, close crowded center; yellow tipped. Price, 25 cents each.

Enterprise.—Magnificent flower; guard petals of tubular form; color, light rose; disc creamy white. Price, 20 cents each.

Falcon.—Pure white; center pale straw yellow. Price, 25 cents each.

Garza.—Large flower; ray petals broad and white; center white, tipped yellow. Price, 20 cents each.

Ida.—Chinese anemone, of large rounded disc; guard petals broad and flat; color, blush to white. Price, 15 cents each.

Judge Hoitt.—An anemone, fully eight inches across; color, pale pearl pink; guard petals broad and incurving, three rows in depth, enclosing a large disc of central florets. Price, 15 cents each.

J. Carbone.—Japanese anemone, with yellow central disc; guard petals deep lavender pink. Price, 15 cents each.

Mrs. E. Gordon Dexter.—Immensely crimson, reverse shaded yellow, center same. Price, 20 cents each.

Partridge.—Terra Cotta, shaded yellowish pink; guard petals, broad, slightly twisted; dull purplish red, odd and peculiar. Price, 20 cents each.
Red Robin.—Medium size; rays tubular; whole flower of rose purple. Price, 20 cents each.

Rhodia.—Fine Chinese anemone; color, deep silvery pink; a short stout grower; very free in bloom. Price, 15 cents each.

Satisfaction.—An enormous anemone flowered variety with large semi-spherical disc of wide opened trumpet-shaped florets; guard petals broad and flat, spreading boldly around the disc; color, deep chrome yellow, suffused with gold and amber. Price, 25 cents each.

San Joaquin.—One of the largest anemone: central florets light lemon; guard petals pure white; very distinct and of fine habit. Price, 15 cents each.

Thorpe, Jr.—Ray petals and central disc rich golden yellow; one of the finest anemone. Price, 10 cents each.

Titmouse.—Large tubular rays: white, tinted pink; center pale straw yellow. Price, 20 cents each.

Yellow Hammer.—Large, chrome yellow; rays broad, slightly twisted; center compact and rounded. Price, 20 cents each.

**Interesting Collection**

The following collection contains Elkshorn types, variegated and spotted varieties, also many other curious things that are rare and distinct in their colors and formations.

**American Flag.**—An immense double and solid Japanese; color, pinkish white, striped with dark crimson. Price, 10 cents each.

**Angelus.**—Beautiful silvery pink; the flowers built up with quilled petals or florets, opened and branched at the tips in a curious manner; very showy. Price, 15 cents each.

**Black Lotus.**—Dark velvety crimson, almost black; large, elegant flower, of broad, incurved petals, in the style of a Nelumbium bloom. Price, 15 cents each.

**Black Gem.**—A rare variety; color, almost black on opening, when expanded, deepest purplish crimson; petals narrow and showy. Price, 15 cents each.

**Black Primle.**—Dark velvety red, reverse chocolate; as the flowers mature the flat petals wrap over, forming beautiful ribbon-like balls. Price, 15 cents each.

**Emerald.**—Another rare variety, color beautiful emerald green on opening; when expanded, turning to a yellowish white, shaded with green on the tips of each petal; flowers full and double; very elegant. Price, 15 cents each.

**Golden Elkshorn.**—Rich brilliant yellow; of notched petals like the Elkshorn; very showy. Price, 15 cents each.

**Grace Henderson.**—Rich coppery yellow; large spreading flower of narrow, straight tubular petals. Price, 15 cents each.

**Jeannette.**—Bright golden yellow, inside and base deep crimson; large incurved, well-rounded flower. Price, 10 cents each.

**Leopard.**—Rich maroon, distinctly spotted with pure white. Price, 10 cents each.

**Marvel.**—Waxed white, with irregular blotch of wine color. Price, 10 cents each.

**McCauley.**—The flowers are similar to Angelus in the shape and formation, but the color is rich chrome yellow, shaded with amber. Price, 15 cents each.
Perfectio.—The rarest and most wonderful chrysanthemum ever introduced into Europe and America. Of ornamental foliage, elegantly variegated with a bright pea-shell green and creamy white; flowers large, full and high-built, of broad, incurved petals, that are thickly covered with fine glandular hairs; color, snow white, very slightly penciled with light pink. Price, 35 cents each.

Tasmania.—Pure white, most decidedly variegated with a dark crimson. The colored petals of each flower are varied in number; some have a few crimson petals distributed here and there in the white, while the others have more colored and less white; flowers are large, full and flat; petals tubular, slightly spathe at the tips. Price, 25 cents each.

W. N. Rudd.—Pale lavender pink, of pleasing shade; flowers are large, of notched petals. Price, 10 cent each.

W. Henshaw.—Very novel; color, deep velvety garnet, very distinctly edged with white; flowers large and perfectly full; outer petals horizontal, showing the color beautifully. Price, 15 cents each.

White Elkshorn.—Snow white; a beautiful flower, of flat petals, branched like elk’s horns. Price, 15 cents each.

White Star.—Creamy white, with fine tubular petals of varying lengths; large star-shaped flower, with high-built center; very distinct. Price, 15 cents each.

Yosemite Fall.—Pure white; a large airy flower, of thin thread-like petals, slightly spathe at the tips. Price, 10 cents each.

Yokohama.—Beautiful rose pink, splashed with white spots; petals finely craped. Price, 15 cents.

Our Importations from Japan, and California Varieties.

Twelve plants, costing 15 cents each, for $1.50; $10 per 100.

Twelve plants, costing 10 cents each, for $1.00; $6.00 per 100.

Autumn Beauty.—One of the grandest flowers, full and double; perfectly incurved, of heavy texture; color, bright chrome yellow. Price, 15 cents each.

Amazon.—One of the largest flowers, of very broad incurved petals; color, clear light pink, beautifully streaked with deeper shadings. Price, 15 cents each.

Autumn Eve.—Pure glistening white; spherical in shape; petals similar to those of Mrs. L. C. Madiera. Price, 15 cents each.

Andes.—Bright reddish terra cotta, shaded with gold and orange. A magnificent incurved flower, with high-built center. Stems stiff and stout. Price, 10 cents each.

Autumn King.—Deep maroon, reverse yellowish white; large incurved flower; of grand habit; very early. Price, 10 cents each.

Autumn Master.—Deep maroon, shaded scarlet, reverse rich, brilliant gold, flowers enormous, very gorgeous and effective. Price, 10 cents each.

Beauty of California.—An immense flower, of perfect globular shape; color, light pink, shaded with salmon. Price, 15 cents each.

Bride of Venice.—Deep carmine, reverse silvery white; a grand, incurved flower. Price, 10 cents each.

Congo.—A brilliant golden ball, of perfect shape; petals full and double; a healthy, compact grower, of fine habit. Price, 15 cents each.

Cochineal.—A striking shade of dark crimson, slightly touched with gold; a magnificent incurved flower. Price, 10 cents each.
C. Kruger.—Yellowish pink, a delicate shade, flowers large and full, of grand habit. Price, 10 cents each.

Col. Tobin.—Dark velvety crimson, reverse terra cotta, lined with reddish gold; an enormous flower. Price, 10 cents each.

Country of Gold.—Deep golden yellow, with narrow twisted petals. Price, 10 cents each.

Dancing Master.—Very showy flower, of feathery appearance, with narrow twisted petals, in the style of Harvest Moon, but the color bright glowing scarlet. Price, 15 cents each.

Dr. Jules Callendreau.—Soft canary yellow, without shadings; large incurved flowers with whirled center. Price, 10 cents each.

Eva Robinson.—A large solid ball, of a beautiful deep pink color; petals broad and incurving; very graceful in appearance. Price, 15 cents each.

Eureka.—Brilliant straw color; large graceful flowers. Price, 10 cents each.

Ecuador.—Terra cotta, reverse brownish yellow; a grand flower, of immense size. Price, 10 cents each.

Emperor of Turkey.—Rich brilliant scarlet, reverse a shade lighter; an elegant flower of flat petals. Price, 10 cents each.

Flying Crane.—One of the grandest whites; guard petals spreading straight, with incurved and whirled center. Price, 10 cents each.

Gracia.—Clear white, a beautiful and graceful flower, with high-built center; petals broad and incurving, forming a ball. Price, 15 cents each.

Golden Brocade.—Yellowish brown, streaked with maroon, and suffused with gold; a magnificent flower, of perfectly incurved petals. Price, 15 cents each.

Golden Gate.—Deep golden yellow, shaded with buff and amber; large spreading flowers of whirled center. Price, 10 cents each.

Delicacy.

THE EDIBLE CHRYSANTHEMUM.

The flowers of this valuable variety are large and graceful; color, the brightest golden yellow; petals broad, long and incurving; very early and profuse bloomer. One of the finest in the entire chrysanthemum family.

At some districts in Japan, hundreds of acres of land are used for the cultivation of these edible chrysanthemum flowers for table. Cook the flowers in boiling water about thirty minutes, and take them out into clear, cold water; let them stay there twenty minutes or longer, then take them out and squeeze all the water off; add salt and vinegar. They are very sweet and of desirable taste and flavor. Price, 15 cents each, $1.25 per dozen.
